

FOOTAGE

BACKGROUND

Inside Travel News can help media and tour operators to important footage for articles and brochures.

POSSIBILITIES

Inside Travel News can help with images about Canada, Thailand (Banyan Resort & Golf) and Via Rail. The cd's and dvd's below are some samples that are available on request. For more information about footage please contact us. We can also provide the correct link to the image library and direct you to the right (media) contact person. Please contact us at 0031-306933682.
